EH-LS7500

Premium short-throw 4K laser projector for home entertainment and indoor golf simulation up to 500 inches.

The EH-LS7500 is a versatile 4K projector for movies, TV, gaming, sport and indoor golf simulation. Its short-throw design delivers a large-screen experience in compact spaces, while 3LCD, AI image enhancement and a laser light source produce bright, natural images. Smart Matter compatibility and flexible positioning make premium home entertainment and golf simulation easy.

Short-throw design for flexible home setups
The short-throw lens delivers large images from a shorter distance, making it ideal for dedicated home golf simulators, media rooms and smaller living spaces. Whether practising your swing or watching the latest blockbuster, you'll enjoy immersive big-screen experiences without needing a long projection distance.

Premium big-screen entertainment meets home golf simulation
From movie nights in the living room or dedicated home cinema to immersive indoor golf simulation in the garage, the EH-LS7500 adapts to the way you use your home. With stunning 4K picture quality and images up to 500 inches, it's the ideal projector for films, TV, live sport, gaming, and golf simulation.

Natural colours that stay true to the original
3LCD technology and high Colour Light Output deliver accurate colour reproduction to create bright, vibrant and natural-looking images. With no rainbow effect, every scene remains comfortable to watch and play, whether you're enjoying a film, watching live sport, gaming with friends or practicing your swing.

Intelligent image optimisation
Built-in AI image enhancement continuously analyses content and adjusts picture quality in real time. The result is improved detail, smoother motion and enhanced contrast across a wide range of entertainment, helping every scene look its best with minimal user adjustment.

Entertainment that evolves with you
Choose the streaming device that suits you best. Whether you prefer Apple TV, Fire TV, Google TV or future platforms, the EH-LS7500 gives you the freedom to upgrade over time, while Smart Matter compatibility enables seamless integration into your connected home.

Built for dependable long-term ownership
The laser light source provides up to 20,000 hours of operation, delivering consistent image quality with minimal maintenance. Combined with Epson reliability and support, it offers confidence for years of home entertainment.

KEY FEATURES

- **Short-throw design for home entertainment and golf simulation**
  Create large images in smaller spaces, making this short-throw projector ideal for home golf simulators, media rooms and home entertainment.
- **Premium 4K entertainment on a bigger scale**
  Experience immersive images up to 500 inches with this 4K projector - bringing golf, gaming, sport, TV and films to life.
- **Bright, natural images with 3LCD technology**
  3LCD delivers equally high White and Colour Light Output for bright, vivid images, without the rainbow effect associated with some projection technologies.
- **AI image enhancement for every scene**
  AI-powered image processing optimises detail, contrast and motion in real time, helping content look sharper and more natural.
- **Future-ready streaming and smart home integration**
  Use your preferred streaming device to access the apps and services you use most, and Smart Matter compatibility for easy smart home integration.
- **Reliable laser performance with low maintenance**
  The long-life laser light source delivers up to 20,000 hours of operation with minimal maintenance and dependable performance.
- **Legal Statement**
  Complies with The UK Product Security and Telecommunications Infrastructure (Product Security) requirements. Epson will provide security updates for 7 years from purchase

PRODUCT SPECIFICATIONS

TECHNOLOGY	
Projection System	3LCD Technology, RGB liquid crystal shutter
LCD Panel	0.62 inch
IMAGE	
Color Light Output	3,500 Lumen- 1,750 Lumen (economy) In accordance with ISO 21118:2020
White Light Output	3,500 Lumen - 1,750 Lumen (economy) In accordance with ISO 21118:2020
Resolution	4K (3840 x 2160)
Aspect Ratio	16:9
On-Screen Pixel Count	8,294,400
Contrast Ratio	Over 5,000,000 : 1
Native Contrast	1,900 : 1
Light source	Laser
Laser Light source	20,000 hours Durability High, 20,000 hours Durability Medium, 20,000 hours Durability Eco
Colour Video Processing	10 Bits
2D Vertical Refresh Rate	400 Hz - 480 Hz
Colour Reproduction	Upto 1.07 billion colours
HDR support	HDR10, HLG
OPTICAL	
Throw Ratio	1.00 - 1.31:1
Zoom	Manual, Factor:1 - 1.3
Lens	Optical
Lens Shift	Manual - Vertical ±59 %, horizontal ±21 %
Lens position memory	10 positions
Screen Size	40 inches - 300 inches
Projection Distance Wide/Tele	2.23 m - 4.48 m (100 inch screen),
Projection Lens F Number	1.49 - 1.61
Projection Lens Focal Length	13.9 mm - 18.1 mm
Projection Lens Focus	Manual
CONNECTIVITY	
Interfaces	USB 2.0 Mini-B, Powered USB, RS-232C, Ethernet interface (100 Base-TX / 10 Base-T), Trigger out, HDMI in, HDMI (ARC/eARC), Headphone Output, Wireless LAN IEEE 802.11a/b/g/n/ac, Wi-Fi 6E
Network Protocol	HTTPS, IPv6, ESC/VP.net, PJLink
ADVANCED FEATURES	
2D Colour Modes	Dynamic, Natural, Cinema, Vivid
Other features	A/V mute, AIPQ (Artificial Intelligence Picture Quality), AISR (Artificial Intelligence Super Resolution), DCI colour gamut, De-contour, Dynamic Colour Booster, Frame interpolation, ISF certification, Instant on/off, Lens position memory, Long light source life, Quick Corner, Source function
Video Color Modes	Cinema, Dynamic, Natural, Vivid
Projector control	via: AMX Device Discovery, Control4 Simple Device Discovery Protocol
GENERAL	
Power consumption	260 Watt (Normal On-Mode), 168 Watt (Eco On-Mode), 0.5 Watt (Energy saving standby)
Heat Dissipation	884 BTU/hour (max)
Supply Voltage	AC 100 V - 240 V, 50 Hz - 60 Hz
Product dimensions	440 x 332 x 160 mm (Width x Depth x Height)
Product weight	8.2 kg
Noise Level	Normal:25 dB (A) - Economy:22 dB (A)
Supported Temperature	Operation 5° C - 35° C, Storage -10° C - 60° C
Supported Humidity	Operation 20% - 80%, Storage 10% - 90%
Options	Air filter, Ceiling mount, Safety wire set, Suspension adapter
Room Type / Application	4K Gaming, 4K Streaming, Gaming, Sports, Streaming, TV & Box sets
Positioning	Ceiling Mounted, Desktop
Colour	White / Black

WHAT'S IN THE BOX

- Power cable
- Remote control incl. batteries
